Event Details

Roll Call starts at 7:30 am each day. At discretion of the committee, runs may start 30 minutes prior to roll call for event committee members' dogs, or due to heat/other factors for any entered dog. You may check in for your run(s) between 7:30 am and 3:00 pm. (2:00 pm on Sunday), and run as you are ready, as opposed to scheduled run times. Please check in as early as you are able. We cannot guarantee you can run after 3:00 pm (Friday and Saturday) or 2:00 pm (Sunday).

Inspection

Prior to each run, each dog will be inspected for lameness, fitness to compete, and females in season. All dogs to be inspected must be presented without tape, bandages, or wrappings/coverings of any kind. If any entrant is found to be lame, unfit to compete, or in season, they shall not be allowed to test. If a dog fails an initial inspection, applicable entry fees shall be refunded, less \$5.00 per entry fee retained for processing. Credit card convenience fees are not refunded. If a dog is cleared for running by the inspection committee, and later is excused, injured, disqualified, etc., no refunds are issued.

Running Your Dog

It is recommended dogs be handled with a "slip-lead" that gives instantaneous freedom to the dog when the "Tallyho" (release) signal is called by the Huntmaster.

Dogs may wear any collar except a choker collar, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. Owner assumes responsibility for the safety of the dog regarding the dog's collar and paraphernalia on the dog.

Test, Titles and Timing

FastCAT Test is a timed straight 100-yard dash for dogs. Dogs are held at the start line and a coursing lure is activated, prompting the dog to follow chasing it to the finish line and a catch pen. The course is fully fenced and dogs are run individually.

Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$

$\text{MPH} \times \text{HANDICAP} = \text{POINTS (ROUNDED TO NEAREST 0.01)}$

Based on the dog's height at the withers, a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

$\text{MPH} \times \text{HANDICAP} = \text{POINTS}$

AKC Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points DCAT = 500 points FCAT = 1,000 points FCAT# = Each additional 500 points

The AKC Fast CAT website features the Top 20 fastest dogs by breed and by year. These national standings are based on a dog's three fastest times averaged and are updated as event results are processed.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion.

ALL DOGS RUN AT OWNERS' SOLE RISK

Notice To All Exhibitors

Please ensure the comfort of you and your dogs by bringing your own portable shade/shelter and water.

For the safety of the dog and as a courtesy to other entrants, a testing dog should have a reliable recall.

The Huntmaster is responsible for field safety and therefore s/he is in complete charge of all dogs and handlers on the field. In service to this responsibility, s/he has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. Listen to the Huntmaster and follow all instructions promptly and swiftly.

Any decisions made by the event's officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge(s) to withhold any and all qualifications for lack of merit. The Judge(s) is responsible for ensuring compliance with the AKC Regulations on the field.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

Persons exhibiting conduct detrimental to AKC/any dogs(s) and/or other person(s) will be asked to leave with no refunds.

The event-hosting club, its agents, members, representatives, volunteers, etc., assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators.

All rights to televise, videotape, advertise, photograph, promote or otherwise exploit this event are vested in the club, or in persons to whom assignments of such rights have been made in writing by the club. All persons and animals attending these shows grant the club the right to use their likeness and voice in any matter without further consent.

Late, incomplete, unsigned, unpaid or conditional entries, or entries not containing the "Agreement" found on the Official AKC Entry Form will not be accepted.

Substitution of dogs will be accepted at the time of roll call/inspection. Once inspection is complete, no further substitution will be allowable.
